Secondary education.

## SKILLS

- 
- **Languages:** JAVA ,HTML ,CSS ,Tailwind CSS ,OOPS ,JavaScript
  - **Tools & OS:** Git, VS code , Eclipse

## PROJECTS

- 
- **Stone-Paper-Scissors Game**  
I have made a simple game using Java programming language called "Stone Paper Scissor". I have used concepts of conditional statement i.e. if else statement and Switch case statement to write this code.
  - **Tic-Tac-Toe Game**  
I have developed a Tic Tac Toe game in Java using Object-Oriented Programming principles! This project was a great way to deepen my understanding of classes, objects, inheritance, and polymorphism.
  - **INSTAGRAM Login page clone**
  - **SOA, ITER Website clone**
  - **A simple Landing page.**
  - **A simple age calculator**
  - **A simple calculator**
